# General Information

1. The Joint Warfighting Center (JWFC) is accessible either from the Norfolk International Airport, Norfolk, Virginia, or the Newport News/Williamsburg International Airport, Newport News, Virginia.
2. The JWFC houses two other commands: the Joint C4ISR Battle Center (JBC) and Standing Joint Force Headquarters (SJFHQ). The Joint Experimentation (J9) Facility, a directorate of USJFCOM, is located adjacent to the JWFC.
3. The JWFC is accessible 24 hours a day. Upon your arrival at the facility, please check in with the Security Desk in the main lobby. During conferences/exercises, signs will be posted for registration areas.
4. The JWFC is a non-smoking building. Smoking is not permitted in front of the building. The designated smoking area is the gazebo located beyond the V.I.P. reserved parking spaces.
5. All visitors to the JWFC, JBC, and J9 are required to sign in and out at the security desk, and to display the visitor's badge issued to them at the time of sign-in. Visitors issued "Escort Required" badges need to remain with their escorts at all times.
6. The JWFC is a secure facility. Visitors must submit a valid visit request to the JWFC Security Office prior to arrival. Visitors may enter or exit the building only through the lobby doors. Any questions you may have regarding visitor control or security procedures may be addressed to any member of the security staff. The Security Office is located in the lobby.

# ADP SECURITY

**ALL COMPUTERS, RELATED ADP EQUIPMENT and DISKETTES MUST BE SCANNED for VIRUSES** when visiting the JWFC, JBC & J9 facilities. Scanning stations are located behind the Security Desk in the JWFC lobby and in Test Bay 34 during conferences and exercises. If the computer CAN NOT be virus-scanned, then it must be in possession by an acceptable picture badge individual to prevent copying copy to or from any floppy diskettes, OR exchanging ANY files via ANY means during visitation. If classified material will be produced on “outside” computers (not one the JWFC/JBC/J9 provides), courier cards are required or the hard drive will have to be erased. Any questions related to classified material handling should be directed to the Directorate’s Security Manager (7077) or the Special Security Officer (SSO)(7772). **NO PRIVATELY OWNED PERSONAL COMPUTERS WILL BE PERMITTED INTO THE BUILDING.**

## Laptop Authorization Requirement- *Additional Information*

Only government laptops are authorized to be brought to the JWFC, JBC and J9 facilities. The visitor must have written authorization from the Directorate’s Information Systems Security Officer certifying the requirement. The written certification must also include name of responsible courier, model number, manufacturer information and serial number of the equipment. A temporary bar code, assigned by the appropriate directorate, will be placed on the equipment and logged in the JWFC Material Management System before access will be authorized. A property pass will be issued to the individual and a copy will be maintained at the Security Desk in the lobby. **ALL OTHER LAPTOPS WILL BE BARRED FROM THE JWFC, JBC AND J9 FACILITY.**

Once the government laptops are at the JWFC, JBC and/or J9 Facility, it will remain until it has been determined the requirement has been met or the conference/ exercise has been completed. The property pass must be returned to the JWFC Security Desk prior to departure.
